

## TITUS MAZ - Duo SHORT BIO

Just in time Duo comprises some of the most exciting established and upcoming International singers based in London.

Led by guitarist and composer Titus Maz, the components of this group see Jazz as a big inspiration shining its light into a prism dispersing into fusion, latin, world, r&b and more components.

We have a long history of corporate gigs, weddings, ceremonies and events where our duo made the difference in terms of entertainment.

Our singers are coming from the Jazz, Soul and Pop background to be able to accomodate any event and any club/venue choices.

On our Live shows, we are able to bring a mix of classics and originals to any stage ranging from Ella and Sinatra straight ahead to Herbie.. George Duke down to more contemporary neosoul/ funk vibes all played with a classy and sophisticated approach.
